CLUB STOCKTON SPONSORING LOCAL SWIMMING CLUB

The Stockton Jelly Blubbers Winter Swimming Club is a local not for profit organisation that was established in 1974 by members of the Stockton Surf Life Saving Club.

It was established so that they may maintain their fitness, swim, and socialise through the winter months of May through to September.

The Blubbers raise funds through a range of activities for worthwhile organisations such as the Mark Hughes Foundation.

.

Club Stockton assisted the Blubbers in 2023 with the purchase of swimming equipment in the form of new swimming caps for all the Jelly Blubber members. The Blubbers also celebrate their annual ball at Club Stockton.
