CLUB STOCKTON SPONSORING LOCAL FOOTBALL CLUB

Club Stockton is thrilled to announce its ongoing major sponsorship of the Stockton Sharks Junior Football Club for 2024. This marks the fourth consecutive year that Club Stockton has supported the Sharks, underscoring our strong commitment to the local sporting community.

The Stockton Sharks have enjoyed an exceptional season in 2024. Four of their teams have advanced to the grand finals, while the Zone League First Grade side is still competing in the semi-finals. The club's impressive performance on the field reflects their dedication and skill.

This year, the Sharks Board has achieved significant growth, expanding the club's membership and increasing participation by over 20%, with more than 500 registered players.

Club Stockton's sponsorship plays a crucial role in supporting the Sharks by funding uniforms, training gear, match day balls, and subsidizing player registration costs. This support helps ensure that registration fees remain the most affordable in Newcastle. Additionally, our sponsorship assists with the maintenance of the football ground, including the purchase of line marking paint.

Club Stockton is excited to continue its partnership with the Stockton Sharks in 2024 and is honored to contribute to the growth of soccer at the local level.
